SOLITARY OFFICER
PROTECTION SYSTEM
MEET SAFETY REGULATIONS
& PROTECT YOUR SOLITARY OFFICERS
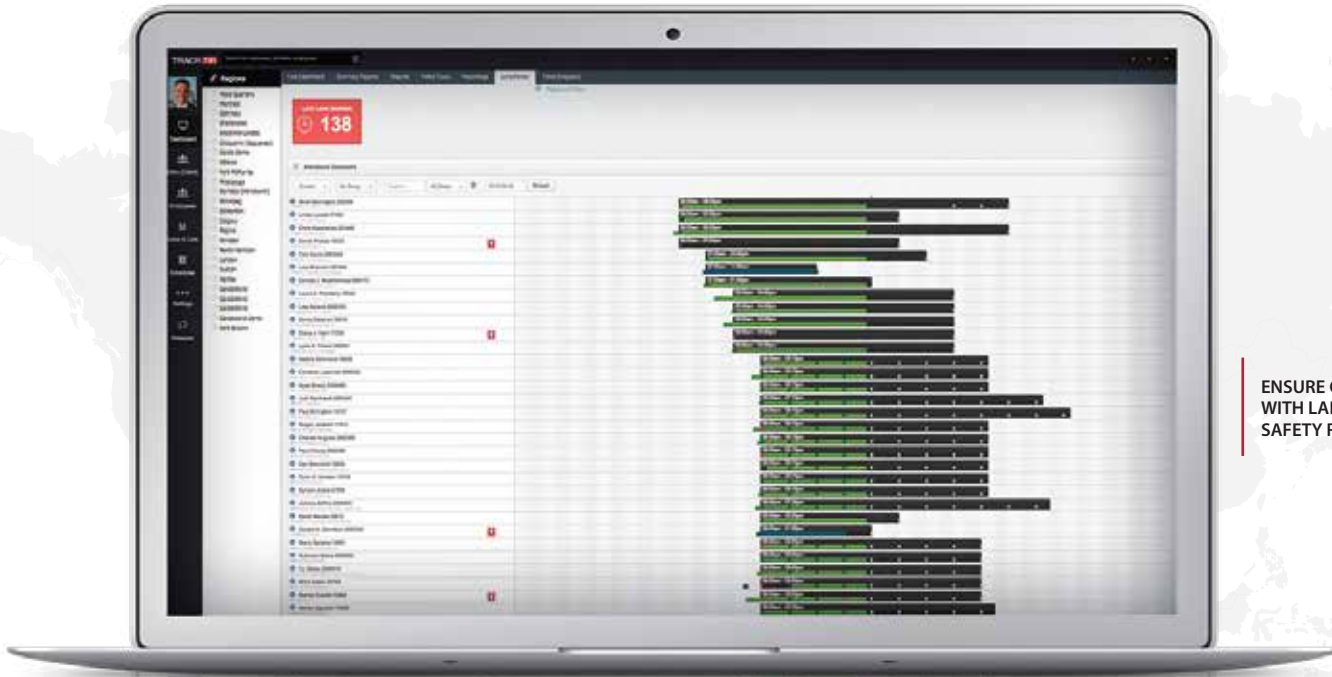

Your officers work hard to protect your clients and their property, but how do you protect your officers? When officers are working alone at a site, you need a system that provides visibility into the well-being of your solitary officers. Whether your goal is compliance or your own peace of mind, TrackTik's Solitary Officer Protection System keeps you connected to your staff.

OUR SOLUTION IS TRACKTIK

TrackTik's Solitary Officer Protection System enables you to ensure compliance with labour & safety regulations, while lowering risk & liability. Your officers are automatically notified when they need to check-in and real-time notifications keep you informed of officers' inactivity. Your officers can now have peace of mind and find safety in hazardous situations.

ENSURE COMPLIANCE WITH LABOUR AND SAFETY REGULATIONS.

LOWER RISK AND LIABILITY

• Real time dispatcher notifications

• Complete history of call logs for solitary officer check-ins

• Achieve compliance with labor and safety regulations

• Restrict authorized numbers to site phones

PROTECT YOUR OFFICERS

• Automated notifications and alerts

• Customizable by site for scheduling and notifications

• Unique credentials to identify officers

SIMPLIFY SAFETY PROTOCOL

• Easy to use check-in scheduling

• Create unique schedules for different posts

• Manage exception tickets for missed check-ins

• Efficient call-in and check-in process

• No device required
